Raleigh – Civitas Action, a 501(c)(4) non-profit that educates and informs North Carolinians on policy issues as well as the actions of their elected officials, released their rankings of North Carolina state legislators. **Ric Killian earned a score of 88.0, and a ranking of 2 of 123 members of the North Carolina State House of Representatives.**

The Civitas Conservative Effectiveness Ranking (CER) is the only rating system in North Carolina that allows citizens of the state to gauge how effective their state legislator is in upholding conservative principles. Killian states, “I am proud to have increased my performance from 6th to 2nd in this prestigious ranking. I consider every vote I cast very carefully, and vote based upon what I consider is best for all citizens of North Carolina. I am proud of my voting record and this achievement.”
